Rental, technical assistance and service offer during Red Bull Romaniacs 2009

1. Used Motorcycles for Renting, models from 2007-2009

1400 € for the whole competition, including the prologue and one day training.

The following motorcycles we have available at this moment:

KTM 400 EXC 2007

KTM 450 EXC 2007

The renting tax includes:

- Mechanic support during the whole competition.
- The transport of the equipment during the whole competition (max 150 kg).
- Bike washes after every day.
- 30% discount on Acerbis products
- 30% discount on Maxxis tires

The renting tax doesn't include:

- Spare tires;
- Moose's (the rented bikes are equipped by a new set of tires with extra heavy duty tubes)
- Race equipment, extra protection accessories.
- Cost of the spare parts used for fixing the bike during the race and after the race.

2. Bike wash service: 49 € for the entire competition.

3. Spare parts service free of charge. (You have to pay only the regular KTM price)

4. Tire service free of charge for Maxxis tires and tubes. (if you buy Maxxis tires from us, you get free mounting)

5. Mechanic Package 390€ for the whole competition.

The delivery of the spare parts for the models EXC and EXC Racing from 2007-2009

The complete mechanical assistance is made by the KTM mechanics.

This includes:

- Any kind of daily motorcycles fixing. (The cost of the spare parts must be paid separately);
- Bike washing and greasing;
- Tires changing;
- Transport of the race equipment (food, drink, spare parts or dry clothes) in the assistance points from the track.
